| <b>Ad 1.</b>             | <p>Razmatranje finansijskih uslova školarine u akademskoj 2026/2027 godini</p> <p>Direktor Davor Mulalić otvorio je tačku dnevnog reda i pozdravio prisutne roditelje. Istaknuo je da je cilj podizanja školarine zadržati postojeći nivo usluga, pratiti rast troškova života te osigurati kontinuitet dobrog kvaliteta rada ustanove.</p> <p>Azra Morić je prisutne roditelje upoznala s novim cijenama koje stupaju na snagu od septembra 2026. godine:</p> <ul style="list-style-type: none"><li>– Punodnevni boravak (domaća lica): 710,00 KM (dosad 680,00 KM)</li><li>– Punodnevni boravak (strana lica): 810,00 KM (dosad 780,00 KM)</li><li>– Poludnevni boravak (domaća lica): 355,00 KM</li><li>– Poludnevni boravak (strana lica): 405,00 KM</li><li>– Njemačka predškolska grupa (domaća lica): 750,00 KM (dosad 730,00 KM)</li><li>– Njemačka predškolska grupa (strana lica): 850,00 KM (dosad 830,00 KM)</li></ul> <p>Također je pojašnjeno sljedeće:</p> <ul style="list-style-type: none"><li>– Depoziti se prenose u školsku 2026/27. godinu; potrebno je izvršiti uplatu razlike depozita prema cijeni školarine u trenutku upisa djeteta.</li><li>– Potrošni materijal (jednom godišnje) iznosi 300,00 KM (dosad 60,00 KM) i pokriva i troškove manifestacija. Za drugo i treće dijete odobren je popust od 50% (150,00 KM). U slučaju ispisa prvog djeteta, drugo dijete preuzima puni iznos.</li><li>– Upisnina za novu djecu (jednokratna, nepovratna) iznosi 200,00 KM (dosad 50,00 KM za domaća, odnosno 60,00 KM za strana lica).</li><li>– Subvencije za domaća lica kroz EMIS sistem od septembra iznose 235,00 KM za punodnevni i 120,00 KM za poludnevni boravak.</li></ul> <p>Roditelji su postavili nekoliko pitanja vezanih za obračun depozita i popusta za više djece, na šta su dobili detaljna pojašnjenja od strane direktora i menadžera ureda.</p> |
| <b>Rezultat glasanja</b> | <p>Budući da su sva pitanja iscrpljena usvojena je ova tačka dnevnog reda.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| <b>Zaključak</b>         | <p>Prijedlog novog cjenovnika usluga za akademsku 2026/2027. godinu (punodnevni boravak, poludnevni boravak, njemačka predškolska grupa, potrošni materijal, upisnina, depoziti i subvencije) usvojen je od strane prisutnih roditelja u P.P.U. International Montessori House Sarajevo.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

- Na upit jednog roditelja, Armina Huremović je pojasnila da će roditelji dobiti sve odgovore ukoliko se odazovu na ponuđeni termin individualnog sastanka, kada mogu postavljati sva detaljna pitanja koja ih interesuju i dobiti sve neophodne informacije.
- Na upit jednog roditelja, Mubera Ademović je iznijela da se odgojno-obrazovni program u IDSS naslanja na IMH te da se koristi sinergija obje ustanove kako bi se djeci osigurali idealni uslovi.

Nije bilo drugih pitanja.

### Rezultat glasanja

### Zaključak

1. Usvaja se novi cjenovnik usluga P.P.U. International Montessori House za akademsku 2026/2027. godinu, kako je navedeno u tački 1. ovog zapisnika.
2. Nove cijene stupaju na snagu od septembra 2026. godine.
3. Roditelji će o svim izmjenama biti dodatno obaviješteni putem e-maila, a u prilogu zapisnika dostavlja im se i cjenovnik.
4. Roditelji su pozvani da se odazovu individualnim sastancima i najavljenom obilasku u vrijeme ručka radi uvjeravanja u kvalitet jelovnika.

| <b>Ad 1.</b>         | <p>Consideration of the financial terms of tuition fees for the academic year 2026/2027</p> <p>Director Davor Mulalić opened this agenda item and welcomed the parents present. He emphasized that the goal of increasing tuition fees is to maintain the existing level of service, keep pace with the rising cost of living, and ensure the continuity of the high quality of work of the institution.</p> <p>Azra Morić informed the parents of the new prices coming into effect as of September 2026:</p> <ul style="list-style-type: none"><li>– Full-day program (local citizens): 710.00 BAM (previously 680.00 BAM)</li><li>– Full-day program (foreign citizens): 810.00 BAM (previously 780.00 BAM)</li><li>– Half-day program (local citizens): 355.00 BAM</li><li>– Half-day program (foreign citizens): 405.00 BAM</li><li>– German preschool group (local citizens): 750.00 BAM (previously 730.00 BAM)</li><li>– German preschool group (foreign citizens): 850.00 BAM (previously 830.00 BAM)</li></ul> <p>She also clarified the following:</p> <ul style="list-style-type: none"><li>– Deposits are transferred to the 2026/27 school year; the difference in deposit amounts is to be paid based on the tuition fee rate applicable at the time of the child's enrollment.</li><li>– Consumables (paid once per year) amount to 300.00 BAM (previously 60.00 BAM) and also cover the costs of organizing our events. For families with two or three children, a 50% discount on consumables is approved for each additional child, amounting to 150.00 BAM per each additional child. In the event of the first child's withdrawal, the second child assumes the full consumables fee.</li><li>– Enrollment fee for new children (one-time, non-refundable) amounts to 200.00 BAM (previously 50.00 BAM for local citizens, and 60.00 BAM for foreign citizens).</li><li>– Subsidies for local citizens through the EMIS system, as of September, amount to 235.00 BAM for the full-day program and 120.00 BAM for the half-day program.</li></ul> <p>Parents asked several questions regarding the calculation of deposits and discounts for multiple children, for which they received detailed explanations from the Director and the Office Manager.</p> |
| <b>Voting result</b> | <p>All questions having been exhausted, this agenda item was adopted.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Conclusion</b>    | <p>The proposal for the new price list of services for the academic year 2026/2027 (full-day program, half-day program, German preschool group, consumables, enrollment fee, deposits, and subsidies) was adopted by the parents present at P.P.U. International Montessori House Sarajevo.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
